Hispanic/Latina Women in Medicine: Critical Needs for Empowerment and Transformation in Practice 2024

September 13-15, 2024

Adriana L Alvarez, M.D.

Hospital Cleveland Clinic, Cleveland, Ohio

Specialties: Hematology Oncology, Hospice and Palliative Medicine and Internal Medicine

Dr. Alvarez is a Master Clinician Staff with expertise in Hematology Oncology at Taussig Cancer Institute, Cleveland Clinic, Ohio.

She did her medical school training at the Universidad Nacional de Cordoba, in Cordoba, Argentina. She completed her Internal Medicine residency in Argentina and later at Danbury Hospital, CT (Yale affiliated). During her medical career, she completed a fellowship in Hospice and Palliative Care, as well as Experimental Therapeutics both at Cleveland Clinic. She continued her education with a fellowship in Hematology Oncology at University Hospitals of Cleveland, Case Western Reserve.

She currently works in Community Oncology, with a leadership position as a Section Head of Hematology Oncology at Avon REJ Hospital, Cleveland Clinic. Given her heartfelt interest and involvement in Physician Wellbeing, she also has been appointed as Well Being Officer at Avon Richard E. Jacob Hospital.

Dr. Alvarez also contributes to research related to under-representative Hispanic/Latino patients.
